

Welcome to Franklin Daybreak Rotary!

With Carol King as our District Governor, an outstanding board of directors, and a hard-working, fun-loving club, we should have a great year.

Bill Shilito will help us kick off the year with installation of officers and recognition of our new Paul Harris Fellows. We are an All-Paul Harris Fellow Club, and since this is officially 2009-10, we have made it three years in a row!

The club will raise funds with a golf tournament, rose sale, spaghetti supper, and a bike ride.

During February, Rotary will push for recognition of Polio Plus, sell raffle tickets for Polio Plus, and celebrate Rotary's birthday.

We plan to continue to support New Century Scholars, CareNet, Angel Hospital Foundation, and Habitat for Humanity on a local level. On the International level, we will participate in Stop Hunger Now, purchase a Shelter Box, and work with our Indian counterparts to support children.

A Business Ethics program in October, a Membership program in August, and a Foundation program in November are some of our highlights during our weekly meetings.

The District Conference in Stone Mountain, Georgia will be a great place to celebrate our year.

Come join us as we serve our community and the world and have fun, too.
